After the meeting broke up Premier Asquith and the committee of the miners' union held a conference at which it was understood the objections of the perators were carefully canvassed.

That the Government still has hope that an agreement will yet be reached to end the strike was shown by the announcement that consideration of the Coal bill would be postponed pending "further conferences." This was taken to mean that the operators and miners had agreed to confer anew.

Read what one of the GREATEST NEWSPAPERS IN AMERICA has to say on this subject:

"The manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting the Castoria trademark. This counterfeiting is a crime not only against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher, if they would guard the health of their children. Parents, and mothers in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the fac-simile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.—Philadelphia Bulletin.

### **Letters from Prominent Druggists** addressed to Chas. H. Fletcher.

Conger Bros. of St. Paul, Minn., say: "Fletcher's Castoria is certainly full of merit and worthy of recommendation."

C. G. A. Loder, of Philadelphia, Pa., says: "For 20 years we have sold Fletcher's Castoria and are pleased to state that it has given universal atinfaction."

The Scholtz Drug Co., of Denver, Colo., says: "Fletcher's Castoria has surely become a household word. Seemingly every family where there are children uses it." Hoagland & Mansfield, of Boston, Mass., say: "We have nothing but

good to say about your Castoria and we do not hesitate to give it our anqualified endorsement." Riker's Drug Stores, of New York City, say: "Fletcher's Castoria is one

of the oldest and most popular preparations in our stores. We have

nothing but good to say about it." Wolff-Wilson Drug Co., of St. Louis, Mo., says: "Of the thousands of patent medicines for which we have demand there are a very few of them that we can conscientiously recommend and your Castoria is in-

cluded in this few." D. R. Dyche & Co., of Chicage, Illa., say: "The increasing demand for your Castoria shows that a discriminating public is not slow to seek out a remedy of merit and once convinced that it does all and even

more than claimed they do not hesitate to recommend it to their friends." The Owl Drug Co., of San Francisco, Cal., says: "We have always been a believer in the 'original man protection' and have been particular never to sell anything but the genuine and original Castoria (Fletcher's). We have many calls every day for this article from people who say they
